Our Recruits are expert creatives, smart undergraduates & fresh graduates from different higher institutions within and outside Nigeria.

## Recruitment Strategy;

---

1

### Discuss your recruitment needs with us.

After our initial conversation, Ellae Jobs streamlines and specifically identifies the need required so as to match such with the best resource talent. We ensure that the terms of operation are being accepted and that there is mutual agreement between both parties.

2

### Get instant access to the best available candidates, connect and arrange interviews

We forward to you the best of the assessed candidates for your own internal assessment. We have a dynamic assessment procedure which allows us to scrutinize our creative experts in order to understand their personality and design capability. Please note that Ellae Jobs undertakes to present another set of candidates for interview at any point if the client is not satisfied with the initial candidates presented.

3

### Hire your preferred candidate

Make the ultimate decision of who to hire out of the interviewed candidates. This is the concluding stage of the process where you show your level of satisfaction. Considering our extensive experience, achievements and consistency, we seek to carefully meet your needs to the latter

# Recruitment Process;
